MM Docket No. 93-93

BRET-881012KE

BRET-900904KE

To: Administrative Law Judge
Arthur I. Steinberg

**PETITION OF
COMMUNITY TELEVISION OF SOUTHERN CALIFORNIA
FOR LEAVE TO AMEND**

Community Television of Southern California ("CTSC"), a party to the above-captioned proceeding, hereby requests leave to amend its pending application in order to update information required by Section II, Question 7(b) regarding pending court or administrative actions and to report changes in its Board of Directors.

On January 26, 1993, CTSC filed a similar Amendment along with a Petition for Leave to Amend. On March 31, 1993, the Commission's staff returned the Amendment on the grounds that it was filed too close to the issuance of the Hearing Designation Order to permit its consideration. (See attached letter from Clay Pendarvis, Chief, Television Branch, Video Services Division). That letter indicated that CTSC could re-file the Amendment after the release of the Hearing Designation Order.

No. of Copies rec'd
UNCLASSIFIED

This Amendment is submitted in response to that suggestion, although it has been amended to include members of CTSC's governing board who were added since January 26th.

The Amendment is being filed pursuant to Section 1.65 of the Commission's rules, which requires applicants to keep their application current. It reports change and developments unrelated to the comparative issues in this case. Thus, acceptance of this Amendment will not delay the Commission procedures, prejudice the other applicant, or otherwise disrupt the Commission processes.^{1/} Accordingly, CTSC submits that good cause exists for the submission of this Amendment and requests that the Judge grant this petition for leave to file it.

Respectfully submitted,

Theodore D. Frank

May 3, 1993

^{1/} The enclosed Amendment is being submitted with a FAXed copy of the signature of an officer of CTSC. The Amendment was sent to CTSC for signature on Friday by Federal Express with directions for Saturday delivery. A return Federal Express envelope was also enclosed so that the Amendment could be returned by Federal Express in time for filing today. Unfortunately, however, Federal Express did not deliver the package in a timely manner and it was not possible to get the original of the Amendment back to Washington by today. The Amendment with the original signature will be filed with the Commission tomorrow.

AMENDMENT

The application (File No. BPET-881012KE) filed by Community Television of Southern California ("CTSC"), for a new noncommercial educational television station to operate on Channel *39 in Bakersfield, California, is hereby amended to:

- (1) update the information submitted in response to Section II, Question 7(b) regarding pending court or administrative actions; and
- (2) to reflect changes in the Board of Directors of CTSC, as reported in the attached Exhibit B.2, which should be substituted for Exhibit B.1 in the pending application.

**AMENDMENT TO
SECTION II, QUESTION 7(b)**

On July 1, 1992, a complaint was filed with the California Department of Fair Employment and Housing ("DFEH") by Mr. Constancio Babilonia, a former CTSC employee, alleging discrimination in employment by CTSC (File No. FEP 92-93 B1-0086-00-aev). The complaint also requests that a charge be filed with the Equal Employment Opportunity Commission (File No. 340925238), although to date CTSC has only been contacted by DFEH. CTSC submitted a written response to DFEH on August 12, 1992 denying the allegations in the complaint. The matter is currently pending.

Channel *39

Dear Mr. Frank:

This refers to your January 26, 1993, amendment to the above-captioned application for a new noncommercial educational television station to operate on Channel *39, Bakersfield, California.

The staff has completed its processing of your application and designation for hearing is imminent. To accept your amendment at this time would disrupt the orderly dispatch of the Commission's business and would unduly delay the proceeding. Therefore, in accordance with Section 73.3522(a)(2) of the Commission's Rules, your amendment is returned herewith without consideration. You may, of course, resubmit your amendment at the appropriate time to the presiding Administrative Law Judge.

Sincerely,

Clay C. Pendarvis
Chief, Television Branch
Video Services Division
Mass Media Bureau
